NEW for 2017! We are now offering a GOLD TEE Flight. Both players must be **70 or older** with a current GHIN number. Unlike the other flights, this flight will use handicaps. The format is still 36 Holes of Four-Ball stroke play, using 90% of your course handicap. Net prizes will be awarded. Partners must not have a handicap differential of more than 8. We need a minimum of 6 teams to complete this flight. If we have less than 6, those teams will be given the option to be flighted with the field.

FORMAT

The format is 36 holes **Four-Ball** for two man teams. Teams will be divided into flights containing approximately 16 teams, grouped by combined GHIN handicap index with a differential of not more than eight. Entry fee is **\$180.00 per team**.

PRIZES

Within each flight, prizes are awarded to the first four finishers. Flights of 16 teams will pay out four places and flights of 12 teams will pay out three places. Up to \$1500 in prizes per flight. (The Tournament Committee reserves the right to change the payout, only if needed, due to a change in the number of teams per flight)

First place tie in the First Flight will be resolved by sudden death playoff beginning at the 18th hole. Ties for any other places will be resolved by matching cards starting with the number one Handicap Hole and continuing until resolved.

On **Saturday, June 10th**, we will award medalist prize for the lowest round of the day. In case of tie, teams will split the prize.

On **Sunday, June 11th**, we will award consolation prizes, one in each flight for the lowest round among teams who do not otherwise place in the flight. Ties for consolation low round will be resolved by matching cards.
