There is still time to help with this Fund Raiser!

We are appealing again to all the Members, Certificate Holders and Friends of Orleans Country Club, to help us with a rather large project. We need to replace a portion of the Club House roof. This is a larger expense than the regular budget can handle, so we are asking for your assistance.

The Fund Raiser Committee is trying to raise $7500, in order to take off, dispose of, and replace the part of the roof needing repair. We have attached a form for your use to make your donation. Every donation helps us towards our goal. Our plan is to make the roof repairs as soon as possible, with the help of your generous contributions.

Please help us, we cannot do this project without help from each and every one of you.

Thank you for your continued support and participation with activities at Orleans Country Club.
