Saturday, May 16th -- OCC's Target Opening

Dear OCC Members & Friends,

We hope you and your families are well and healthy. We look forward to returning to our normal routines and enjoying each other's company on the golf course shortly:

1. OCC's target opening is now Saturday, May 16th (subject to the Governor's directives).
2. Play will be in accordance with the Safe Play Rules issued by the America Golf Associations. (details to follow).
3. The course came through the winter in great shape.
4. Equipment repair was completed prior to the shut down.
5. Current staffing is minimal, in accordance with guidelines, but there are a lot of initial outlays to open OCC for the season: course clean up, fertilizer, equipment prep, restaurant food, beverages and supplies, pro shop equipment and supplies, etc.

A big Thank You to those who have already paid their membership. We truly appreciate your commitment and support. We are asking everyone who will be playing at OCC this year to **submit membership payment as soon as you can** to help us provide the OCC experience we all expect and deserve.

The OCC Staff and Board are working diligently to adjust plans and manage finances to battle the headwinds of Covid-19 and the State Shut Down. We are communicating daily and meeting every two weeks to review this situation and ensure we have OCC in the condition you have come to expect. Obviously, plans are subject to change. We will continue to update you every two weeks or as new information becomes available to open OCC.

We hope you are excited to come out and play golf this spring at OCC with family and friends, and to enjoy each other's company and camaraderie. We have a lot to be grateful for and look forward to seeing you at OCC soon.

Please spread the word OCC will be open soon and will be ready for play.

Sincerely,

OCC Board of Directors

"The best little golf club in the world where good folks get together and enjoy each other's company."
