April 30, 2020 Update

Dear OCC Members and Friends,

It's almost the first of May, the days are getting longer, the weather is becoming sunny and warm, and we all look forward to the opening of OCC. We are on schedule to begin play on May 16th in keeping with Governor Scott's directives. Hopefully, we can open the course sooner as Vermont begins to allow some businesses and activities to reopen. OCC will be ready if this decision should happen before May 15th.

Our Greens crew has been cleaning the course and has mowed a few times already. OCC appears to be in fantastic early spring form. The staff has made preparations to provide access to the course, carts, pro shop and bathrooms. There will be some changes to maintain social distancing and protect the health and safety of the staff and fellow golfers. We ask everyone to be patient as we adjust to new routines and procedures. **We also will be asking everyone to book a tee time, pay on line and check in before playing.**

The Board is very grateful and thankful for the 120 members who have submitted their membership applications. We anticipate a great season at OCC. We hope that all 2019 members will complete and return their 2020 application forms and look forward to seeing the return of all of our members and friends.

Our golf leagues should be starting soon and will be in accordance with Covid-19 and VGA guidance. Please contact your partner for Tuesday league play and text Josh on his cell phone at 802-522-6306 regarding your participation. Our goal is to have OCC operating normally and provide a full season of league play.

Please continue to spread the word OCC is in great shape and ready to open as soon as we get the word we can welcome players to the course.

Thank you for your continued patience and support.

Sincerely,

OCC Board of Directors

"The best little golf club in the world where good folks get together and enjoy each other's company."
