May 7, 2020 Update

Dear OCC Members and Friends,

Hooray! Yesterday we received word that Vermont golf courses can open today, May 7th. Per Governor Scott's directives and VGA guidelines, we are putting everything in place to ensure that we maintain a safe and healthy environment for staff and players and are very excited to be opening.

Yesterday an eblast was sent out that included the VGA COVID-19 Guidelines for golf courses, as well as notes from Josh Olney, PGA Pro/OCC General Manager, that speaks to specific protocols and practices at OCC. Please read through these documents so that you are aware of and prepared for the protocols in place.

Per the guidelines and requirements there will be significant changes implemented to maintain social distancing and protect the health and safety of the staff and fellow golfers. We ask everyone to be patient as we adjust to these new requirements and procedures and we want to thank you in advance for your understanding and support.

Tee times are required and can be made on line or by calling the pro shop. Green fees and cart rentals will be paid on line. If you haven't paid your membership dues yet, we encourage you to do so. We also ask that you establish a credit card on file to help expedite your golf outing and take out beverage service.

Please spread the word OCC is now open! Frank and the course crew, Josh, volunteers and board members have been working hard to get everything in place for our opening. The course is in great shape and we're all looking forward to warmer temperatures, sunshine and getting our golf game in motion!

We're anticipating a great 2020 season at OCC!

Thank you for your continued patience and support.

Sincerely,

OCC Board of Directors

"The best little golf club in the world where good folks get together and enjoy each other's company."
