August 13, 2020

To all OCC Members and Certificate Holders,

My letter comes to you this season four months later than usual as the COVID-19 Pandemic lingers on. Our Annual Meeting was moved to Monday, August 24th, 2020, as it was suggested not to gather in large groups to help alleviate the spread of COVID-19. That being said, many members are not back from their winter homes in April and now have an opportunity to join us on the 24th at 6:30 PM for the Annual Meeting.

Per the usual, our course is in exceptional condition and has seen an increase in both greens fee play as well as a growing number of new members. Our fall membership offer is now available, so please inform your neighbors, friends and family members of our great community and excellent fall rates.

Changes this season at OCC are few with the exception of a few less employees. Josh and Frank have cut their employee base by several to help with expenses, as we all had no idea how our season would play out through the pandemic. As it turns out, people really wanted to get out and enjoy golf, as we are one of the safer venues during this COVID year 2020. I urge you all to thank your course crew when you see them as they are few and working long hours on the course for your enjoyment. As well, the restaurant and pro shop personnel are working very hard to make your visit as pleasant and safe through this difficult season and deserve to be treated kindly. With the limited number of employees, and as you can imagine and have seen, there are always ways that our members can volunteer to make this 2020 season a success. Please sign up in the Pro Shop with Josh, Bob or Carol to volunteer for the many areas of course maintenance needing attention.

I am now in my fourteenth year on the Board of Directors and I believe 12 years as your President. My tenure will end in April of 2021. Thank you all for your support, your dedication and hard work as Directors, Members and Friends of Orleans Country Club. It has become abundantly clear to me that the time has come to step aside to make room for new talent. I will always be available to the Board, our members and our employees for years to come as volunteering is in my DNA!

If you, or anyone you know is interested in running for a BOD seat, please contact Carol Boucher as soon as possible, so that their information can be shared with the membership and certificate holders prior to the meeting.

Stay safe, play well and continue to support what we all have come to know and believe, that Orleans Country Club is, *"The best little club in the world where good folks get together and enjoy each other's company."*
