"The best little golf club in the world where good folks get together and enjoy each other"

April 6, 2021

Members and Certificate Holders,

This letter to you will be my last as the OCC President. I want to thank each and every one of you for your support throughout my tenure. A special thanks to all the hard working board members that I have had the pleasure of working with while President. Your dedication and persistent attitudes towards making our club what it is today does not go unnoticed. Although I will no longer be on the board, I am always available to assist in any way possible.

As of the time I'm writing this letter our club is only 4 days from opening and I believe this to be the earliest in some time. Frank and his crew worked hard to make that happen. Frank has hired new grounds crew for the 2021 season, so please introduce yourselves to them and make them feel like part of our family. One individual you won't see this year is Connor Fletcher as he has taken employment elsewhere. Thank you Connor, you will be missed! Thank you Frank, Ed and the entire crew, it's been my pleasure to work with you all.

You will notice some changes this season as Darryl Davis, Bob Granfors and Dave Peck have been upgrading the women's locker room as well as replacing the steps to the entrance to the Pro Shop. I would like to thank all our volunteers, without your dedication and hard work OCC does not survive.

We are fortunate to have Allison Labor and many of her waitresses returning this year to the front of the house in our restaurant and for that we should all be grateful. We do need kitchen workers and if anyone knows where we might find qualified people, please let us know!

My final thoughts are that of our Head Professional, General Manager and my close friend, Josh Olney. Not sure everyone is privy to the fact that Josh was awarded the New England PGA Head Professional for 2021. Congratulations Josh, well deserved! Josh was hired nine years ago and turns out Josh was and still is a great addition to our community. Our close working relationship has been one of the most positive experiences in my career and one I will surely miss the most. Thank you Josh for your dedication to our community, it's been a special time.

One final thought and thank you goes out to all the wonderful people of Orleans Country Club and to all the great friends Ann and I have met. We cherish each and every one of you!

Jamie Barron
OCC President
