"The best little golf club in the world where good folks get together and enjoy each other."

March 28, 2022

Dear Corporation Certificate Holders and guests,

Our Vermont winter season is drawing to a close. The snow and ice are melting, the sap is running and we can see a lot of green around the course. We are all looking forward to another great season in 2022 and we cannot wait to see you again. Our staff, Board members and volunteers have been very busy this off-season to prepare the clubhouse, golf course and restaurant for your return and enjoyment.

Frank and Ed and their crew worked hard to put our course to bed last fall, monitor its conditions over the winter and are busy preparing for an early April opening, weather permitting. Frank and the Greens Committee have a number of projects ready for 2022. Some will be very evident and others are behind the scenes.

Frank and Mark Faust are replacing our 3 irrigation pumps. (Thank you Mark for coordinating this project.) The pumps have run their course over the last 20+ years and needed to be replaced. This project will also benefit our new irrigation control system implemented last fall. These projects will allow Frank to better regulate and automate the irrigation of the course, reduce our water use, and provide valuable time and man-hours back to Frank and our crew to maintain our course conditions reputation.

You will also notice a new shelter by the Practice Range this season. I would like to thank Tyler Darling for the donation of materials and supplies. And special thanks to Gary Miller, Mark Faust and Bruce Reed for their work to erect and complete this structure. We will now have some shade and weather protection on the practice range. The structure will include a water station, storage and a picnic table for Junior Golf and lessons.

We are expecting a new fleet of golf carts this season. We are planning for a May delivery. Josh and numerous Board members worked diligently to secure a great trade in package for our existing fleet and new financing. These new carts should improve the enjoyment of every round and some are saying take 2 strokes off your handicap.

We are fortunate to have Paul retuning to be our chef at OCC this season. He did a great job last year and we cannot wait to dine on his menu in 2022. We also look forward to the return of Allison and many of our wait staff in the restaurant. Of course like many hospitality businesses we are in need of a Bar Manager and kitchen workers. If anyone knows where we might find qualified people, please let us know!

Of course, I am saving the best for last. Many of the things that happen at OCC would not be possible without our Head Professional and General Manager Josh Olney. The Vermont Chapter of the PGA New England Section recognized Josh with the 2022 Patriot Award for his work supporting Veterans. Congratulations Josh!

I encourage everyone to patronize the Pro Shop for all your golfing needs. Josh provides us with a wide variety and selection of golf gear and apparel. And who doesn't like to wear and show off OCC. I am grateful and thankful for all the work that is accomplished each and every year by our staff and volunteers. Many are both! Their pride, dedication and enduring love for OCC make our course a special place. Without their devotion, OCC would cease to operate and provide that sanctuary we all need, to play and have fun. Please say "thank you" when you see them, and if you would like to be a part of this great tradition and help, reach out to any Board member or Josh.

Sincerely,

Bob Granfors
OCC President

Annual Meeting Agenda on Page 2
