Looking ahead to 2026:

Due to the increase in membership and tournament play at Orleans Country Club, the Men's Tournament Committee is looking to bring this event back to a true Member-Guest tournament in 2026. Currently teams consisting of member/member, member/guest, and guest/guest players are allowed to enter this year's tournament. The Committee would like this to again become the premiere Men's member tournament for OCC. This event did sell out last year and we anticipate that again this season. With this plan in mind, any Member/Guest teams that enter in 2025 will be given priority to enter the 2026 Mandros/Silvester Men's Member Guest.
