

JAMIE BARRON GRANT PROGRAM

Orleans Country Club Grant Application

- Junior golf helps kids develop lifelong skills, from technique and confidence to sportsmanship on and off the course. In support of Junior Golf, GRANT assistance through the *Jamie Barron Grant Program* is available for youth age 13 to 18.
- There are a variety of options to choose from depending on the best fit for each individual's need. Included, but not restricted to, are an OCC Junior Golf Membership, golf equipment, golf instruction, and other golf related items.
- Before an application is approved and to assess how best to support the applicant, a meeting with Josh Olney, PGA is necessary. The meeting will be at Orleans Country Club and a tour of the facilities will be offered, especially if the applicant is new to OCC.
