The Charlie Scott Two Man Best Ball Tournament will be held at Orleans Country Club on **Saturday & Sunday, September 12th & 13th**. Practice round day is **Friday, September 11th**. Full clubhouse privileges for all three days will be extended to all contestants. Entry list is limited to the first 80 teams, so please register early. Sign-up begins **Saturday, August 1st**. Entries may be returned via mail, in person, or by calling the Pro Shop @ 802-754-2333 Option 1. Please note that reserved tee times for practice round on **Friday, September 11th** are available **7 days in advance**.

Players 65 and older have the option to play a "Forward Tee". If playing the forward tee, you **MUST** indicate this on the entry form. Both members of the team do not need to play from the same tee. **Players may not play the forward tee in the top 2 flights, as those flights will play the Blue Tees.** The teams with the lowest combined index will determine the top two Flights. The remaining Flights will be determined by a team's combined COURSE handicap (based on selected tees). Lowest handicap index will break any ties.

FORMAT

The format is 36 holes Best Ball for two man teams. Teams will be divided into flights containing 8-12 teams based on the number of entries. **The maximum course handicap differential allowed between partners is 10.** Entry fee is **\$240.00** per team.

PRIZES

Flights of **10-12** will pay out **four** places and flights of **8** will pay out **three** places. The Tournament Committee reserves the right to change the payout, only if needed, due to a change in the number of teams per flight.

First place tie in the First Flight will be resolved by sudden death playoff beginning at the 18th hole. Matching cards by using the "Last 9, last 6, last 3, last 1" method will resolve ties for any other places.

On **Saturday, September 12th**, we will award medalist prize for the lowest round of the day. In case of tie, teams will split the prize.

On **Sunday, September 13th**, we will award consolation prizes, one in each flight for the lowest round among teams who do not otherwise place in the flight. Ties for consolation low round will be resolved by matching cards by using the "Last 9, last 6, last 3, last 1" method.
